Haya is part of Iman

What is Haya? It may be translated as modesty, shyness, self-respect, bashfulness, shame, honor, humility, etc. Haya pushes the believer to avoid anything distasteful or offensive.

Haya is a vital part of our Iman (faith/belief). It plays a huge role in our lives. If we do not have any Haya within us then it is a sign that our Iman is very weak. Here is the evidence:

"Say to the believing men that they should lower their gaze and guard their modesty: that will make for greater purity for them: and Allah is well acquainted with all that they do. And say to the believing women that they should lower their gaze and guard their modesty; that they should not display their beauty and ornaments except what (must ordinarily) appear thereof; that they should draw their veils over their bosoms and not display their beauty" (Qur'an Nur, 30-31)

"Lo! The noblest of you, in the sight of Allah, is the best in conduct. Lo! Allah is Knower, Aware...." (Qur'an 49:13)

The Prophet Muhammad ﷺ said: "Faith (Belief) consists of more than sixty branches (i.e. parts). And Haya is a part of faith." (Bukhari)

The Prophet Muhammad ﷺ said: "Every faith has an innate character. The character of Islam is modesty." (Hadith)

The Prophet ﷺ also said: "Haya does not bring anything except good."

The Prophet Muhammad ﷺ said: "Indeed haya (modesty) and Iman are Companions. When one of them is lifted, the other leaves as well." (Baihaqi)

The Prophet ﷺ also said: "Haya comes from Iman; Iman leads to Paradise. Obscenity comes from antipathy; and antipathy leads to the fire." (Bukhari)

The Prophet ﷺ said: When lewdness is a part of anything, it becomes defective; and when haya is a part of anything it becomes beautiful.

The Prophet ﷺ said: "When there is no haya left, then do as you please."
